

Savanah

Savanah about to be Velveted

Savanah licking his chops

The statistics tell it all.

We placed both heads of velvet in the National Competition. Only section for the 5 year old was the OPEN SECTION. Note the weights of these chaps..... Awesome!!

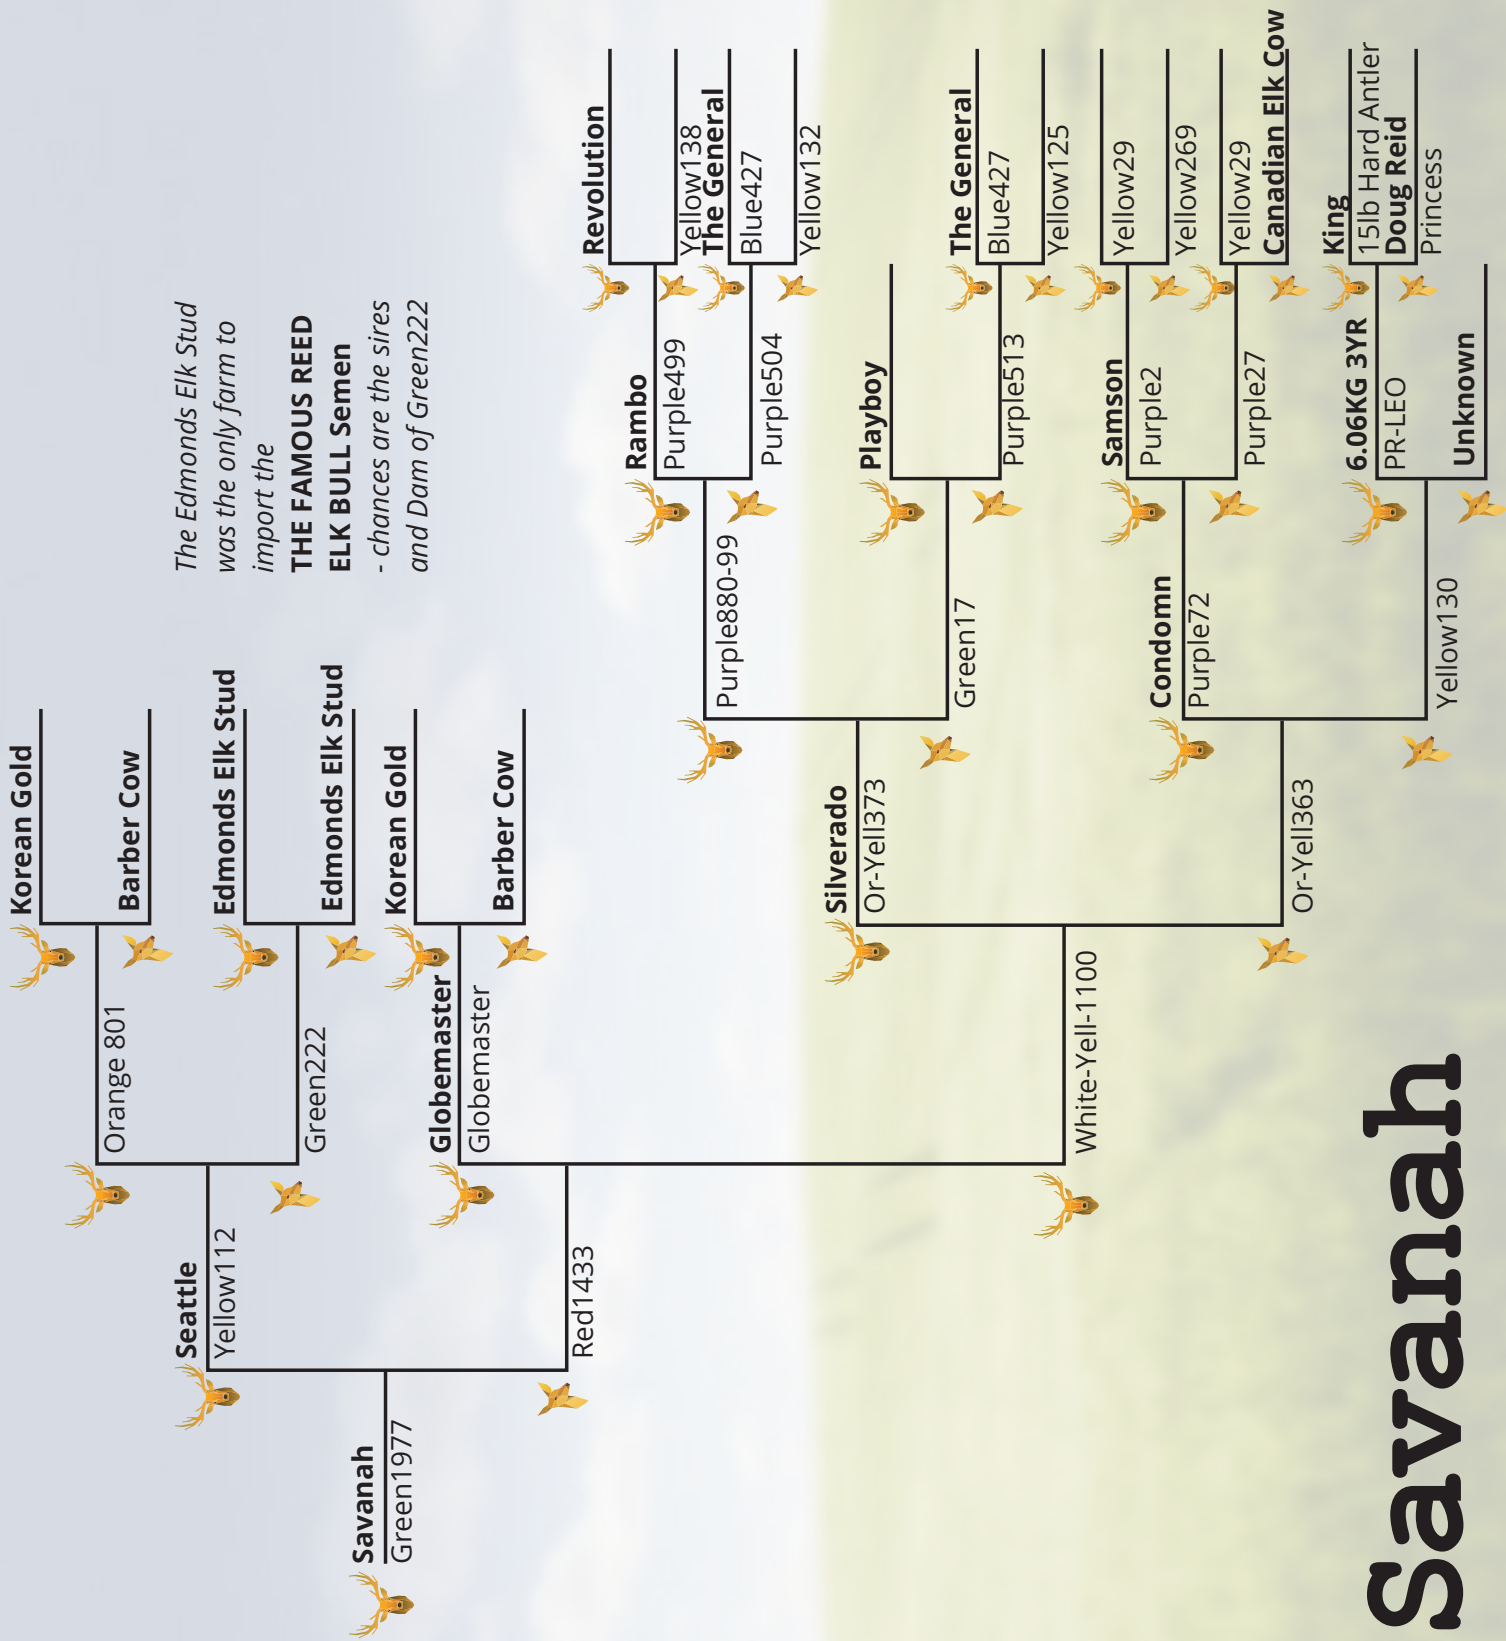

Missed our EWSNZ Competition as buyer of the Velvet wanted it all, and was on it's way to China.

March	Aied	Don Whyte	B/Up Mojo
05/05/14	Weight	135kg	
25/07/14	Weight	Wean	139.0kg
